

nic period. Kartikeya majestically mounted  
 on his vehicle, a peacock with full plumage,  
 and holding a spear (shakti) is a beautiful  
 illustration of the art of the Gupta  
 (sixth to seventh century A.D.). It is  
 us of the Gupta period, the Gupta  
 Emperor Kumar Gupta Mahendra-  
 which the Gupta period is famous for.

The life events of the Buddha are  
 mount Gopuram, is a fine example  
 of the same period. The early medieval  
 period of Indian art is a richly carved  
 richly carved sculpture showing a  
 cious event of the marriage of  
 Parvati. There is a good number of  
 dhara sculptures in schist stone and  
 stucco. The life events of the Buddha  
 were more popular in the Gandhara  
 and Afghanistan region (Pakistan  
 and Afghanistan) in the early centuries  
 of the Christian era. This art is a  
 blend of several preceding innovations  
 of Greece, Bactria, Iran and India.  
 The style is therefore called Indo-  
 Greek, Indo-Bactrian and Indo-  
 Iranian. The subject matter is  
 Indian, but the style is alien.

Bharat Mata Bhavan is a miniature  
 terracotta sculpture of a woman  
 whose hailing from Rajasthan. It is  
 of course of great importance. One  
 into the lives and moods of the  
 period through this art. The  
 wealth and abundance of the  
 Mathura school of sculpture in the  
 Gupta period. Kartikeya majestically  
 on his vehicle, a peacock with full  
 and holding a spear (shakti) is a  
 illustration of the art of the Gupta  
 (sixth to seventh century A.D.). It is
